Walther PPQ .22 Long Barrel

£ 838

Description

WALTHER PPQ .22 LONG BARREL PISTOL ACP ARE PROUD TO ANNOUNCE WE ARE A MAIN DEALER FOR THE ALL NEW WALTHER PPQ .22 LONG BARREL PISTOLS AND ACCESSORIES BRAND NEW PPQ"s AVAILABLE NOW IN STANDARD AND SUPPRESSED VERSIONS STANDARD MODEL STARTS AT £838 SUPPRESSED MODEL £1031 BOTH COME WITH HARD CASE, MANUAL AND TOOLS ADDITIONAL MAGS AND ACCESSORIES ARE AVAILABLE IN STOCK Walther PPQ This revolutionary semi-auto pistol supplied by this iconic manufacturer is based on the full size 9mm striker fire polymer lower safe trigger pistol used by numerous Special Forces units because of its ability to fire underwater. The long barrel pistol (LBP) variant is an adaptation of this hugely successful striker fire weapon system but produced in a .22 LR platform. This is a customised PPQ M2 .22 LR with 300mm shrouded barrel and the grip extension to increase the overall length to over 600m to meet UK legal requirements. The pistol comes with one 12 round magazine and a hard plastic travel case. All new parts including grip extension and shrouds come in black powder coated finish. These amazing pistols will shoot standard high velocity and subsonic ammunition by most manufacturers The pistol comes in a number of configurations from entry level to race gun. Standard Standard with tubular faux suppressor Premium Standard Drilled Barrel with integral suppressor Premium Race Gun This comes prepared with milled slide to accept mount and red dot Shield SRS Site, drilled barrel with integral round suppressor Race Gun This comes prepared with milled slide to accept mount and red dot Shield SRS Site Please contact us for prices of the special models and additions etc
