From the ground up the gun was designed to look the best and to outrun the best. The F12 is a 12 gauge box fed semi-automatic shotgun which holds either 5 or 10 cartridges. Standard specs are 3" chamber with 24" barrel, 5 interchangeable chokes with a gas system set up for high or low load cartridges. It has an AR style platform with adjustable stock and adjustable cheek piece, this enables the user to set the shotgun up to their specific needs. The F12 is made from titanium and aluminum and has a cerakote finish for durable wear. The F12 also comes with standard features such as abidextrous safety, dual gas piston system, full adjustable stock, titanium and aluminum shell with cerakote finish. What's in the box? 1 x Typhoon F12 12G Semi-Automatic Shotgun in colour of your choice 1 x Case 2 x 10 Round magazines 1 x Typhoon Defence Breech Flag 1 x Tool Set Full set of chokes (5) 1 Year Warranty F12 Owners Manual Features: Available in 7 colours Cerakote finish 24" Barrel Dual Safety 3" Chamber Full Gas System Adjustable Stock
