Ruger Precision Rimfire rifle in .22LR calibre. The ultimate tactical rimfire rifle offering the 'BIG' rifle feel. Hard wearing one piece polymer molded synthetic full pistol grip stock with a fully adjustable cheek piece allowing the shooter to gain the perfect shooting position with eye to scope alignment. The one piece molded chassis of the rifle offers a firm, stable and durable shooting platform to which Ruger have placed their smooth long throw rimfire action with oversized bolt handle, the action is set alongside an 18" one piece cold hammer forged blued barrel which has been screw cut 1/2" UNF ready for the addition of a sound moderator. The barrel is surrounded by a 15" free-float handguard which is made of hard black anodized aluminum, manual side safety catch with a detachable 15 round single stack polymer magazine. Two stage Ruger Marksman adjustable trigger unit of which the weight range of 2.25 to 5.0 pounds pull can be achieved.
